**Note 1:**

For the calculation of the landing and parking fees, the maximum take-off weight (MTOW) of the aircraft shall be taken into account, as indicated in the certificate issued by its state of registry, irrespective of any other operational criteria. Every part of a ton shall be rounded up to a whole ton.

Aircraft using the airport for non-commercial purpose and owned or used by or on behalf of the State, the military, the police, customs or any other agency of the State or any other State (not including state-owned or part-owned commercial aircraft operators), the North Atlantic Treaty Organization, the United Nations, the Red Cross or the Red Crescent shall be exempt from Aeronautical Charges.

**Note 2:**

Domestic operations may be subject to VAT

**Note 3:**

"Per ton for every 24 hours": For parking time that exceeds one day, the last day will always be charged in full.

**Note 4:**

The first 24 hours are charged with the lowest price (5 € per ton) and each day from this point will be charged with the higher one (10 € per ton)

**Note 5:**
